Any and all full and part-time staff, independent contractors, temporary employees, board members, volunteers, and others, shall keep confidential all medical, social, referral, personal, and financial information regarding a person and his/her family.

TRRC, Inc. recognizes that a rider/participant of his/her family members may not have legal authority to disseminate information, whether due to age or mental capacity. As a general rule, infants and children under the age of 18 years DO NOT have legal authority to consent to disclosure. Only parents, legal guardians, or others (as defined by the state statute) have this authority. Adults with developmental disabilities are presumed legally competent to give or deny disclosure unless they have been adjudicated incompetent to make this type of health care decision. If a substitute decision-maker has been appointed, TRRC, Inc., and its representatives, must obtain specific and informed written consent from that individual.

The policy extends to all situations involving TRRC, Inc. and its clients, whether or not any information was disseminated accidentally or on purpose.

TRRC, Inc. shall not disseminate to its employees or others, knowledge of a person's medical or sensitive information unless there is a risk to others through casual contact and permission has been obtained.

TRRC, Inc. shall reserve the right to use universal precautions for all situations in which staff may be exposed to the blood of a rider. TRRC, Inc. shall act under the assumption that all riders may have a blood borne disease. Such actions do not indicate a breach of confidentiality, but rather a general policy for use in all situations in which persons are exposed to another's blood.

TRRC, Inc. shall only disclose information to outside agencies/individuals with the specific written consent of the rider/legal representative. In cases of medical emergency due to illness or injury while receiving services or while on the property of TRRC, Inc., this policy shall recognize to the required Authorization for Emergency Medical Treatment as such required written consent.

Any breach of the above confidentiality policy by staff, volunteers, and other persons will result in:

- 1) a documented verbal warning;
- 2) a formal written reprimand;
- 3) dismissal.

Rider Behavior Contract

THE BOTTOM PORTION MUST BE SIGNED and RETURNED TO TRRC!

At TRRC, Inc., safety is our top priority. To ensure the safety of the riders, staff and horses, we ask that you review the following guidelines with your child. Both the parent/guardian and student should sign the contract and return the bottom segment to TRRC, Inc. If the rider is an adult, we ask you to sign this as well.

1. Arrive 30 minutes before your lesson to allow time to find your helmet and be prepared for your lesson.
2. Students will wear a properly fitted ASTM/SEI approved helmet at **ALL** times while mounted. Helmets are the most important piece of equipment you will have. Although we do have spare helmets, we strongly recommend you purchase your own properly fitted helmet.
3. Students will wear shoes with a heel (preferably boots) and long pants.
4. Students should not mount until they are instructed to do so
5. We encourage the students to take responsibility for their horses. Students should (when appropriate) bring their horses to the arena. They may help groom, tack, and after their ride, untack and take out the horses if they are done. This should always be done with the permission and supervision of the staff.
6. **NO ONE will be allowed to hurt or abuse the horses, staff or fellow riders. Unacceptable behavior will result in early dismissal from the class. If such behavior is not corrected, the student may be asked to leave the program.**
7. The student agrees to listen to the instructor/therapist and follow directions.
8. Students are encouraged to ask questions and ask for help when needed.
9. No running or roughhousing in the rider support building, arena, barn and other areas where horses are present.
10. Touching another rider or instructor in an inappropriate manner may be grounds for removal from the program.
11. Please do not enter stalls without the permission of the instructor/therapist or paid staff.
12. When offering horses a treat, we require you to use the "carrotting method" of placing the treat in a dish and slipping it under the door. Putting your hand through the bars can be dangerous as the horses may mistake your fingers for a treat. Carrots, apples and horse cookies are all welcome. No sugar cubes or candy, please - it hurts their teeth.
13. When in the observation room, please speak quietly and do not tap on the glass – it scares the horses.
14. **NO SMOKING, NO DRUGS** (except prescription medication) and **NO ALCOHOL** use prior to riding.
15. Please be respectful of the horses, equipment and people while you are at TRRC, Inc.
16. **HAVE FUN!!!!**

I (we) have read the above contract and agree to follow the above rules set by TRRC, Inc. I understand that failure to follow the above rules may lead to dismissal from the program.

TRRC Fire Evacuation Procedure

THE BOTTOM PORTION MUST BE SIGNED and RETURNED TO TRRC!

When the FIRE ALARM sounds:

- All riders and family members must immediately and orderly exit the Rider Support Building, stalls or arena and proceed to the flag court at the top of the hill. Delay in exiting the building could interfere with trained staff assisting riders needing support, and the horses.
Exit the building at the nearest EXIT (marked with the red EXIT sign and a spot light).
All riders on the trails will dismount and remain in radio contact to await further instruction.
Do NOT return into any building, stall or arena again for ANY REASON.
A senior staff member has been assigned to sweep the building and assure that every single person is out of the building and all rooms are vacated. Once the building has been checked, the staff will be able to assist with the horses.
Do NOT go into any of the riding arenas or stalls to help the staff, or to retrieve riders or horses. The staff has been trained on the proper emergency evacuation procedures and will join family members at the flag court. NO HORSES WILL BE RESCUED UNTIL ALL PEOPLE ARE SECURED SAFELY.
Do NOT attempt to assist with the horses. They could become very unpredictable and dangerous with all of the activity, noise and smells. Allow only trained staff members to work with the horses.
Do NOT drive away from TRRC when the fire alarm sounds even if you have your rider. Moving vehicles will add to the confusion and are too dangerous with all of the movement of people and horses.
All vehicles and debris must stay clear of the fire lanes and driveway to allow access by Emergency Vehicles.
Once the All Clear is given, staff, riders, and family members can proceed back to the buildings for normal operations.

Thank you for following these life-saving procedures to assure the safety of our loved ones, both human and animal.

Parent/Guardian/Caregiver Information Sheet

Thank you for choosing TRRC, Inc. Our primary goal at TRRC is **SAFETY**. You can help us to keep your child safe by following a few simple rules:

- Please arrive 30 minutes before your child's lesson to allow sufficient time to be ready for the lesson.
- **Remember to have your child wear the proper riding clothing: ASTM/SEI approved helmet, boots and long pants. Students will not be allowed to ride in sneakers or shorts. She/he must always wear an ASTM/SEI approved helmet when mounted.**
- No dangling jewelry. No perfumes, as they attract bees and biting insects.
- Assist your child with getting their horse only if you feel comfortable and the student has been approved for this activity. Allow the student to do the job as much as possible.
- Please do not mount the student unless requested to do so by the instructor or therapist.
- The relationship between the instructor/therapist and rider is very important. If your child is having any problems or has special needs, please inform the staff about it. We are here for you.
- Please do not enter stalls or allow your child, siblings, and friends to do so unless supervised by staff.
- Do not put your hands or allow your child, siblings, and friends to put hands through the bars of the stall. Horses are strong and might mistake a finger for a carrot. Please follow our "carrotting policy" and place the treat on a dish and slip it under the door.
- You are welcome to bring treats for the horses. Carrots, apples and horse cookies are all welcome; no sugar cubes or candy, please - it hurts their teeth.
- Please remind your child, siblings, and friends not to run or make loud noises in the rider support building, arena and around the horses.
- When in the observation room, do not tap on the glass – it scares the horses. Encourage children to speak, move quietly in this area – strong sounds can scare the horses.
- Please no flash photography. The flash may frighten the horses. Staff will be happy to take the horse outside into better lighting if time allows.
- No dogs are allowed in or around the barn and arenas (indoors or outdoors). If you bring your dog and need to walk it, please keep it on the leash and well away from the horses and riders.
- If you see anything that might be unsafe or dangerous, such as reins that are hanging loose or someone in trouble, PLEASE notify a staff member immediately.
- **We encourage all family members to be current in CPR/First Aid.** The Center has an AED (Automated External Defibrillator) – an oxygen tank is located with the AED. Staff is certified annually in its use.
- We welcome your help. If you would like to volunteer, please let us know.
- If there is anything you need, please do not hesitate to ask.
